Education.

Profile

Emma strives to provide an outstanding service to her clients, ensuring that clients and their families have the best possible support during their rehabilitation journey.

Emma has extensive experience of working with children and adults with complex needs including neurological disabilities, brain injury, polytrauma/complex orthopaedic injuries and those with associated learning or mental health difficulties. Intrinsicly motivated, Emma prides herself on providing innovative and creative solutions to overcome barriers, enabling her clients to achieve their goals.

During her career Emma has recruited, coordinated, and directed therapy and multidisciplinary teams both as a Therapy Service Lead and as a case manager. Excellent knowledge of other clinical, therapeutic, and educational roles contributes to successful assessment and recommendations in relation to her client's rehabilitation. Emma is experienced at working within the litigation framework and can support her clients through this process.

Her professional practice extends across Statutory and Private sector Health Care and Independent Specialist Education.

Testimonials

"I have had the pleasure of working with Emma on a brain injury case. I have found her to be extremely approachable, efficient, and resourceful as a case manager, providing clear goals for the client and well-structure input. Emma has an excellent relationship with the client, their family and the client's Multi-Disciplinary Team and I look forward to continuing to work with her." – *Personal Injury Solicitor*

"You have advised, guided, debated, argued and been there for A and us as parents every step of the way. You have been professional, expert, knowledgeable, caring, patient, reassuring, resilient. We truly thank you from the bottom of our hearts and will be forever grateful."- *Parents of Client A*
