Profile

Paula is an approachable, compassionate, empathetic, and effective case manager who always puts her clients first. Her 34 years' experience in diverse clinical and specialist settings informs a comprehensive knowledge base from which to support adults, children and their families deal with life changing injuries and events. Paula is committed to achieving the best outcomes possible for her clients and will make the extra effort her clients need.

Paula's broad experience, with a varied specialist experience, make her adept at identifying and assessing client need, engaging and co-ordinating skilled therapists, finding imaginative and workable solutions to complex problems and negotiating with a wide range of professionals, clients, and stakeholders. She is resourceful and practically minded, providing leadership to clinical and non-clinical staff whilst co-ordinating safe, high-quality care to improve clients' experience, outcomes, and aspirations.

Paula drives collaborative working towards shared goals; is exceptionally client and solutions centric in approach; possesses excellent advocacy skills and is passionately proactive. She is very comfortable with a high degree of accountability and decision-making responsibility, able to set the precedent and is well versed in influencing others through leading by example and being an advocate for best practice.

Testimonial

"Paula is very approachable taking her time to get to know the client and their circumstances. She takes on aboard all information in order to assist the smooth running of the package as well as being respectful of the routines/ systems in place and working with the client and care team to make any changes that are required." – *Personal Injury Solicitor*
