Siobhan Gourd is a highly experienced Case Manager with over 20 years of professional experience spanning the UK and Australia. After graduating in Occupational Therapy in 2001, she spent five years working clinically in acute and sub-acute medical and rehabilitation services, before transitioning into Case Management in 2006. Siobhan specialises in complex brain, spinal, and orthopaedic injuries, supporting clients of all ages - including those with challenging behaviours, sensory and vestibular impairments, mental health conditions, and transitional needs.

Siobhan is skilled at sourcing and leading cohesive multidisciplinary teams. She has experience managing care teams and will use the 3HUB care & compliance service to support any clients with regulated care.
