Profile

Jade is an Advanced Nurse Practitioner, Expert Witness and Case Manager with over 27 years' clinical experience. She is trained in both medicine and psychiatry. She has experience of working with children, young people, and adults with both medical and mental health needs in a wide variety of clinical settings. Jade has been described by colleagues and clients as caring, empathic, attentive, responsive, and professional practitioner who is friendly and approachable.

Jade has worked across a wide spectrum of clinical settings including community, primary care, hospitals, A&E, rehabilitation, and in the prison and secure care settings. Her focus is to deliver care that is holistic, client led, and recovery focused.

Jade is highly competent in establishing the client need, recommending and planning care and treatment to meet those needs. Jade has extensive experience in managing challenging behaviour, risk assessment and management with a clear understanding of the challenges for clients exposed to trauma and how injury can impact on all aspects of wellbeing and functioning. Jade has extensive experience of working with clients with neurodivergent disorders.

Jade has successfully managed and led complex clinical teams and services. She is a highly competent communicator who has achieved positive results using negotiation and mediation in order to reach the best outcome for all parties.

Jade is an expert report writer whose documents include factual clinical opinion, best practice, and evidence-based recommendations. She is also a qualified BIA Assessor.

Testimonial

"What sets Jade apart is their exceptional ability to build strong professional relationships with patients and families/carers, earning their trust and confidence through compassionate and empathetic care. Patients, colleagues, and families/carers consistently praise Jade for their approachability, attentiveness, and willingness to go above and beyond to ensure their wellbeing."
